Lewis R. Deisher, Esq., of Wilton, this county, is in town to-day attending a meeting of the County School Board. In reply to an inquiry of your correspondent with reference to the row that occurred last Saturday night at a festival at Wilton, Mr. Deisher said that the statement published in the newspapers does not correctly state the facts. The facts are these: The negroes were holding a festival in the house of Charles Lacy. Things were passing off pleasantly, when Bill Ross entered the house in a state of intoxicotion, swear-

ing and disorderly. Some unknown person knocked him down. The lights were immediately extinguished, and in the darkness unknown hands inflicted twelve bloody wounds upon his person. Some twenty persons who were present at the festival were arrested and taken before Squire William M. Swoope. But there was absolutely no evidence adduced as to who did the cutting. The parties were all discharged (being only required to pay the costs of their arrest, amounting in the aggregate to about \$15), except Reuben Hughes, who was bound over in the penalty of \$50 to keep the peace for twelve months. This is the Reuben Hughes who was published as having done the cutting. He has made no attempt to escape. It is reported that Rose died last night. September term of the County Court came to a close after a session of ten days of arduous, faithful work by judge, juries, lawyers, clerks, sheriffs, and Commonwealth's attorney. The trial of the three Thornhill chil-

dren on the charge of housebreaking and larceny came off this week. They were indicted and tried separately, though by the same jury (by agreement). Watson was tried first. He is only ten years old, but smart for his age and wicked. He got thirty days in jail and \$10 fine. His sister Emma was next tried and convicted and sentenced fore the law had fasteced its clutches on him and went to Washington. He was afterwards rearrested and taken to Lynchburg. He gets sixty days.

Cain was charged with obtaining witness fees illegally. He too escaped some time ago, but was hauled in by an officer. The Court imposed on him a fine of \$1,000, and he was committed to jail in default. He will remain in prison for thirty days, and then

A Circular-Letter from Governor Scales-Twenty Companies-More Illicit

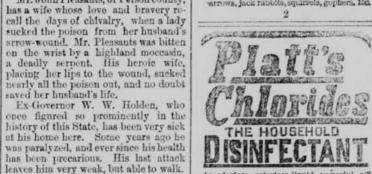

RALEIGH, N. C., Septemper 23.—
Governor Scales to-day approved a circular-letter which in a few days will be sent to all the troops in the State in reference to their presence at Richmond and participation in the Lee-Monument ceremonies. It is desired and expected that the First, Second, Third, and Fourth regiments of infantry and a troop of cavalry be present. The movement is voluntary, and the troops will be aided by their respective communities. The Adjutant-General writes the Governor that the attendance of the Governor that the attendance of twenty companies can probably be se-cured upon such invitation by the Gov-ernor. The plan is to put the troops into Richmond October 26th, and arpeople. The procession consisted of the hearse and four hacks, followed by carriages with newspaper correspon dents. At the grave, where several hundred persons had assembled, Rev. W. E. Knox, pastor of the Methodist church, offered prayers, and spoke briefly and charitably of the deceased woman and her dreadful fate.
